

DataLinx

Connect your property database to Multiple Websites!

Keep your online ads current!

Automatically update your data...

Keep your online ads current:

- Rent
- Availability
- Property List
- Descriptions
- Photos
- Floor Plans
- Date Stamp
- & more!

Automatic data updates:

- Renters will see your *up-to-date* rent, availability and property data
- Eliminate manual entry and updating
- Choose daily, weekly or monthly updates
- Everything is included (setup, database changes & support)

DataLinx Pricing:

\$500 per 1,000 units managed per year

* Optional **WebLinx**:

- Add a powerful search of your properties to your website!
- Only \$800 / 1,000 units / year
